ABC of Iowa uses Contren® Connect (C2) as part of a blended training approach to our apprenticeship training program. Blended training is a combination of on-line learning and classroom/lab learning. The schedule will consist of 152 hours; of these 152 hours, 96 hours will be live in the classroom/lab and 56 hours will be spent using the C2 on-line learning component.

- Students will register with Iowa Workforce Development's Department Approved Training (DAT) on the first day of each level.
 - ABC of Iowa Policies and Procedures will be covered on the first day of each level and each apprentice will be given a copy of the policies and procedures document for future reference.
 - Apprentices should bring a pen/pencil, highlighter, notepad, and a 2008 or 2011 National Electrical Code book as well as a valid email address.
