www.bertschsales.com  
Associate (6-10 employees)  
Experience and knowledge gained from growing up  
around an electrical distributorship and working eight  
years in distributor sales led Joe Bertsch, Sr. to form Joe  
Bertsch Electrical Sales Company in 1969. Starting the  
business with three lines, he covered the two state  
territory as a one man show. From those lean days, the  
agency has grown, representing several leading  
manufacturers.

Headquartered in Cedar Rapids, IA with offices in Des  
Moines, IA, Omaha, and Lincoln, NE, we service  
Nebraska, Iowa and Rock Island County of Illinois. We  
are a fully computerized (with on-line capabilities) non-  
warehousing manufacturer's representative.

Are association affiliations include NEMRA, NEMRA  
Computer Users Group and BICSI.

Associate (over 10 employees)  
Merchants Bonding Company was founded in 1933 in

Des Moines, Iowa. We specialize only in the writing of surety bonds. Merchants is licensed in 50 states and we maintain fully staffed underwriting offices in Austin, Texas and our home office in Des Moines. Business is written through independent insurance agencies representing our company.

The company's record is one of steady growth while maintaining a loss ratio far better than the industry average. Approximately 80% of our premium volume is from contract surety. Merchants has a bonding capacity of \$15 million per contract and we can write much larger bonds

through our associated companies.

Carl A. Nelson & Company, established in 1913, handles capital projects up to \$35 million using design-build, general contracting or construction management delivery methods. Carl A. Nelson & Company is licensed to work

across the United States and Canada. We focus on both healthcare projects and industrial projects. The majority of our industrial projects deal with food processing or agriculture industrial plants. Our healthcare experience focuses on rural or critical access hospitals and clinics. Please see our website for examples.  
www.carlanelsonco.com

Carl A Nelson & Company founded Nelson Plant Services in 2002. Nelson Plant Services focus is on our industrial clients' smaller projects(\$10,000-\$300,000) and routine maintenance. The crews consist of millwright

technicians, pump mechanics, welders and industrial maintenance mechanics. Nelson Plant Services specializes preventative maintenance, pump & conveyor repair and capital improvements. Nelson Plant crews have an expertise in maintaining and repairing drags conveyors, screw conveyors, belt conveyors and bucket elevators, as well as, maintaining and repairing pump and other major production equipment. Some examples of capital improvement projects include the construction of scales, building additions and reorganizing production lines by relocating or installing new equipment and systems.

Contractor \$20 mil. to \$50 mil.

Carl A. Nelson & Company, established in 1913, handles capital projects up to \$35 million using design-build, general contracting or construction management delivery

methods. Carl A. Nelson & Company is licensed to work

across the United States and Canada. We focus on both healthcare projects and industrial projects. The majority of our industrial projects deal with food processing or agriculture industrial plants. Our healthcare experience

focuses on rural or critical access hospitals and clinics

Please see our website for examples.  
www.carlanelsonco.com

Carl A Nelson & Company founded Nelson Plant Services in 2002. Nelson Plant Services focus is on our industrial clients' smaller projects(\$10,000-\$300,000)

and routine maintenance. The crews consist of millwright technicians, pump mechanics, welders and industrial maintenance mechanics. Nelson Plant Services

specializes preventative maintenance, pump & conveyor repair and capital improvements. Nelson Plant crews have an expertise in maintaining and repairing drags conveyors, screw conveyors, belt conveyors and bucket elevators, as well as, maintaining and repairing pump and other major production equipment. Some examples of capital improvement projects include the construction of scales, building additions and reorganizing production lines by relocating or installing new equipment and systems.

www.proctor-mech.com  
Contractor \$6 mil. to \$10 mil.

Proctor Mechanical takes pride in their design/build  
concept. They have the ability to design the projects as  
well as build them. They have the capability to do this in  
the following areas: plumbing, heating, air conditioning,  
ventilation, and process and specialty piping.

By designing and building the project Proctor  
Mechanical has a better idea of what the project entails  
which helps them to create an accurate schedule and cut  
costs, keeping the project on time and on budget.

Proctor Mechanical provides contract services in the  
following areas: underground utilities, plumbing piping,  
heating piping, HVAC systems, piping, sheet metal,  
controls, and extranets.

Our clients enjoy the convenience of on-line access to  
project status reports. You can forget about wasting time

going to www.proctor-mech.com/xxxx (project number)  
and entering the project's unique user name and  
password. There you can access reports for quick review  
or print.

Des Moines Plumbing and Heating is a service division  
of Proctor Mechanical that provides the following  
services: after hours emergency service, backflow  
installation and testing, water and sewer line  
replacement, stop boxes, heating, cooling and  
refrigeration, and commercial and residential installation  
and repair.

Contractor \$20 mil. to \$50 mil.

Carl A. Nelson & Company, established in 1913, handles capital projects up to \$35 million using design-build, general contracting or construction management delivery methods. Carl A. Nelson & Company is licensed to work across the United States and Canada. We focus on both healthcare projects and industrial projects. The majority of our industrial projects deal with food processing or agriculture industrial plants. Our healthcare experience focuses on rural or critical access hospitals and clinics. Please see our website for examples.

www.carlanelsonco.com

Carl A Nelson & Company founded Nelson Plant Services in 2002. Nelson Plant Services focus is on our industrial clients' smaller projects(\$10,000-\$300,000) and routine maintenance. The crews consist of millwright technicians, pump mechanics, welders and industrial maintenance mechanics. Nelson Plant Services specializes preventative maintenance, pump & conveyor repair and capital improvements. Nelson Plant crews have an expertise in maintaining and repairing drags conveyors, screw conveyors, belt conveyors and bucket elevators, as well as, maintaining and repairing pump and other major production equipment. Some examples of capital improvement projects include the construction of scales, building additions and reorganizing production lines by relocating or installing new equipment and systems.
