

# WEEKLY SAFETY Meetings

2019 Subscriptions: January - December

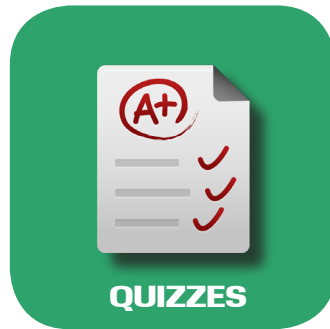

- Monthly Safety Emails
- Online Library
- Access to safety resources & materials
- And much more!

## WHAT YOU GET

Every month, you will receive a set of safety emails jam-packed with relevant safety practices and topics to share with your staff and workers.

Demonstrate your employees are learning and improve your training documentation with included quizzes on the topics discussed every

Access to all the resources you receive through email and much more in the online library allow you to discuss topics that are most important to you!

Shorter, more frequent safety meetings mean improved comprehension and retention in your workers. Weekly Safety Meetings are easy and effective for busy contractors.

## ABOUT WSM

Safety Meeting Outlines has been publishing Weekly Safety Meetings for over 35 years. Their meetings have become the standard for jobsite toolbox talks in the construction industry. They specialize in making toolbox talks easy and effective for contractors like you.
